Maharashtra IAP - 2020 & 2021

Dear fellow MAHA IAPians,

SEASON'S GREETINGS..!

It gives me an immense pleasure to welcome you all at 31st Mahapedicon and 3rd Wz conference going to be held on 26-28th November at Alibagh. I know all IAPians are eagerly waiting for this MAHA "kumbha" of academic feast going to be held after 2yrs. Last year, we could not do it due to corona pandemic, now organising team of Raigad IAP is all set and ready to make it grand event.

Maharashtra IAP has conducted many online Webinars, CMEs, Workshops, case discussions to update our fellow members. Kolhapur IAP organised mid term MAHA IAP conference in grand way, it was a mega event for 3 days including 2 workshops and public forum. Kolhapur IAP also hosted EB meeting of MAHA IAP, this was first ever mid term mega conference of MAHARASHTRA IAP.

Maharashtra IAP also explored Talents through performances, interviews with experts from Arts, sports, music & acting fields on "Maha IAP Katta". Speculating 3rd wave of corona, Maharashtra IAP have trained more than 27,000 Drs, practitioners, health care workers through PCCC module throughout Maharashtra state.

Mahapedicon is an occasion of updating knowledge and skills so also its occasion for brotherhood and fellowship. I am sure team Raigad IAP will scale new heights in achieving high standards of academics, hospitality, fellowship and fun.

Congratulations to editorial team of PARIS SPARSH led by Dr Sandeep Dankhade and Dr Sadachar Ujalambkar for untiring efforts to make it an ever remembrance.

I invite you all to forthcoming event of Maharashtra IAP, hosted by IAP Amravati on 18, 19 December 2021, once again the first event of it's own kind of Maharashtra IAP.

Let me appreciate and thank all MAHA IAPians, OBs and EB s of MAHA IAP for all the support and active participation in all Maharashtra IAP activities and taking it to new heights.

MAHA IAP's theme, this year is "TOUCH TO TRANSFORM" so let's come and work together, so with your gentle " TOUCH", we can "TRANSFORM" lives of many ailing children to happy and healthy state.

Theme for Mahapedicon 2021 is "Together Towards Tomorrow", so "Learn from yesterday, Live for today, and Hope for better tomorrow" So let's work together today for better tomorrow.

My Best wishes and Regards to organizing team, faculties, delegates and all MAHA IAPians.

With Best wishes !

Long live IAP.

Yours humbly in academic services

Dr JAYANT DAMODAR PANDHARIKAR

MAHARASHTRA IAP, 2020 & 2021

Secretary Message

Dr.Sadachar Ujalambkar

Secretary General
Maharashtra IAP 2019-21

Dear colleagues,

Seasons Greetings...

It's my great pleasure to present this third issue of Mahaiap Bulletin of this year.

Now as we are entering post pandemic period, there is increasing normalcy in our day to day practice & social interactions. This is quite a good omen to explore newer opportunities in our life for sure.

Dear colleagues...our some of the branches have restarted the physical academic meetings & that is really a very nice gesture to continue our legacy of academic sharing.

We, at Mahaiap have received annual activities report from all over the state in record breaking number of branches. I heartily congratulate all branch OBs for this phenomenal work.

Maharashtra state IAP has conducted many Scientific Webinars & non academic activities too in very novel way in last two years. I personally thank all of you for your enthusiastic attendance & support for all of these our activities.

In our routine office practice, we are witnessing increasing number of behavioural and parent child communication issues. This can be the effect of multiple factors like increasing use of electronic gadgets, Covid effects & scarcity of time sharing with children by busy parents & so many...

But one thing is sure if we recognise such problems, we need to guide our patients & their parents in proper way.

We need to fill up this bridging gap & improve the proper communication. As Mahapedicon 2021, Alibag, Raigad preparations are in full swing, I expect maximum number of delegates participation from all over the state. This is going to be hybrid conference & one can choose whichever suitable option.

Finally, I thank Hon.President Dr Jayant Pandharikar sir, all esteemed EB members & all OBs of state branches for their kind cooperation & support.

Jay MAHAIAP...Jay HIND ...!!

Yours sincerely.

Dr. Sadachar Ujalambkar

Secretary,

प्रति,
माननीय राजेशजी टोपे,
आरोग्य मंत्री,
महाराष्ट्र राज्य.

विषय - सर्व खाजगी रुग्णालय, नर्सिंग होमस व क्लिनिक मध्ये कोविड रुग्णांवर उपचार करण्याची परवानगी मिळणे बाबत.

माननीय महोदय,

कोविड रुग्णांची संख्या सध्या खूप वाढल्याने रुग्णांना उपचारापासून वंचित राहावे लागत आहे किंवा उशीर होतो.

तरी आपण सर्व नर्सिंग होम व हॉस्पिटल्स ज्यांची महानगरपालिकेकडे अधिकृत नोंदणी केलेली आहे त्यांना कोविड रुग्ण ठेवण्याची व प्रवेशित करण्याची परवानगी देण्यात यावी. शासनाने वेळोवेळी विहीत केलेल्या मार्गदर्शक तत्वांनुसार ये, ग्रीन व रेड अशा पध्दतीने विलगीकरण करून ट्रिटमेंट देता येईल.

बहुसंख्य हॉस्पिटल मधील जवळपास सर्वच डॉक्टर, पॅरामेडिकल व नर्सिंग स्टाफ ला कोविड प्रतिबंधक लस देण्यात आलेली आहे.

सामाजिक सुरक्षित अंतर, जैविक कचरा संकलन, विधटन, व निर्जंतुकीकरण संदर्भित असलेल्या सर्व नियमांचे हॉस्पिटल व्यवस्थापन चे वतीने पालन करण्यात येईल.

अशी परवानगी इतर राज्यात बेड ची कमतरता व रुग्णांची गैरसोय टाळण्याकामी देण्यात आलेली आहे.

आम्ही आपणास या पत्राद्वारे विनंती करतो की सर्व खाजगी रुग्णालयांमध्ये कोवीड रुग्ण ठेवण्याची व प्रवेशित करण्याची परवानगी देण्यात यावी.
