## FROM THE DESK OF PRESIDENT...

**Dr. Hemant Gangolia**  
President

Dear MAHAIAPians,...

Very warm greetings to each one & all MAHAIAPians.

Sincere gratitude to all the members of IAP Raigad Branch & Maharashtra IAP for selecting & accepting me as President of MAHAIAP 2022.

This year we will strive and do our best even in these fluctuating situations of covid, may it be online or offline as per the situation permits with a hope this wave may mark the end of pandemic.

Our team would pay special attention for the empowerment of women MAHAIAPians by forming the women committee, though they are in main stream & carrying out the extraordinary activities.

We will also make sure the welfare regarding doctors as well as their entire families. We will be conducting seminars, CMEs and workshops as per CIAP National President Action Plan which will be done with lot of enthusiasm & zeal. We intend to carry out the various other activities as well. We want to give opportunity and groom the upcoming talents and young academicians on forefront and intend to start the leadership training programs.

“Share the Vision” is this year’s theme and keeping it in our minds, let’s keep sharing our vision with all for the welfare, unity of MAHAIAP. Because, difference begins with us! We intend to give the free hand to innovative projects, self sufficient shared by you all which will help the General Pediatricians in day to day practice and bring us closer.

I am eager to work with all my fellow members and also ready to welcome all your valuable suggestions, responses, ideas as well constructive criticisms.

Let us together wish for a prosperous and positive year ahead.

Jai MAHAIAP  
Jai CIAP  
Jai Hind

Regards,

**Dr. Hemant Gangolia**  
President

**Dr. Amol Pawar**  
Hon. Secretary General

Heart warm greetings to Respected members, seniors and my dear colleagues.

I feel privileged to be elected as the State Secretary General of MAHAIAP after completing my 3 years of treasurership. Being my first year of the tenure as Secretary General, I am glad to work for the betterment of all my fellow colleagues.

I thank all the previous year's state branch office bearers for their kind support & contribution in various IAP activities.

United team efforts of all the leading Maharashtra state chapters lead us to win many awards last year at national level in various categories. I heartily welcome all new branch office bearers of 2022. I humbly request your cooperation this year also to take MAHAIAP to further heights...!

The conditions due to Covid are adverse and fluctuating but we aim to remain active in all the ways possible. Digital media will boost us in staying active through various platforms like online meetings, updates on our very own website [www.mahaiap.org](http://www.mahaiap.org) and many more. We intend to make this digital platform more user friendly & appropriately implicative for our daily clinical practice, parent education & enriching our academic domain. So, I urge all of you to visit our website regularly to stay updated & in touch.

In future if the situation permits, we will strive and see if we could do any work on offline mode too. We have many activities planned for this year too. I appeal everyone to participate actively in all the local IAP & state level IAP activities enthusiastically.

Women empowerment was the need of hour and hence, this year we will be also concentrating on empowerment of women by formation of MAHAIAP Women Committee.

Our biggest assets are our fellow MAHAIAPians and hence we will work for them and their family's betterment.

Let us all work unitedly and keep sharing positivity throughout the year and give our best.

I thank Hon. Dr. Jayant Pandharikar sir & Dr. Sadachar Ujalambkar Sir for their guidance co-operation & support in last 2 years.

Thanks & Regards...

**Dr. Amol Pawar**  
Hon. Secretary General

## FROM THE DESK OF VICE PRESIDENT...

**Dr. Vinayak Patil**  
Vice President

It's my honour to be in front of you as vice president of this great organisation, MAHAIAP, the largest state branch of IAP.

I would like to thank my host branch, Raigad IAP and president of MAHAIAP, Dr. Hemant Gangolia for selecting me for this prestigious post.

I assure everyone that I will work for the betterment of MAHAIAP.

I think, we MAHAIAP should create a module for general rural population highlighting about common elements in children's health, importance of hygiene & vaccination. We should do more public oriented social programmes to increase the image of MAHAIAP. We should start super speciality camps for children in association with RBSK.

In the end, we all Paediatricians of Maharashtra should remain together as one fist for upliftment of MAHAIAP.

Jai IAP !!  
Jai MAHAIAP !!

**Dr. Vinayak Patil**  
Vice President

## Dr. Jaykumar Bhandarkar State Convener

### Greetings from the IAP Maharashtra Team,

2022 is finally here!!... It has been a tremendous unprecedented COVID pandemic for all of us. The pandemic has drained us all physically, emotionally and mentally. I am very grateful to almighty for the wonderful opportunity given to me to work as an office bearer of MAHAIAP. But we should be heartened by what we have been able to accomplish during these trying and testing times.

We were recently able to organise Mahapedicon 2021 at Alibag, Raigad. Through this academic event I personally felt that the grand success of this conference was genuine, team work of young and very enthusiastic pediatricians from IAP RAIGAD.

We make a transition to the new year, new day and a new team at MAHAIAP.

I'm proud of success of MAHAIAP over the last year, particularly in providing academic activity through our new found love, online platform.

It's been 18 years since I entered into pediatrics ably mentored and guided by my seniors. I could not have asked for anything better from my alma mater, MAHAIAP for selecting me as State Convener in this landmark year !!! Team 2022 has been chosen from a wide field of pediatrics, different geographic areas of Maharashtra and also Academicians, Teachers and office pediatricians to give a special impetus to our work. We are focusing on the following domains: Journal Article reading, MAHAIAP PG Clinics, Sub Speciality Webinars and many more academic activities. Our primary goal is to reduce Infant mortality and morbidities and reaching to all pediatricians of Maharashtra.

I am indeed proud, our country to be the largest vaccine producing & among the first few countries to receive the Covid-19 vaccine. We pray & hope that with the vaccine rollout, 2022 to be a safe and back to normal year for all of us !!!

I take this opportunity to thank each one of you and request you to support us in all our endeavours to bring the best, both for our academy as well as our society.

I wish to thank members for their continued participation and enthusiasm in our professional community, and sponsors for incredible support we have received.

Finally, I would like to give a special shout-out of appreciation for our preceding team, and welcome all the new office bearers on board.

Wishing you all a very happy, healthy & peaceful 2022 to each one of you and your family.

Best Regards,

**Dr. Jaykumar Bhandarkar**  
State Convener

## FROM THE EDITORS DESK

**Dr. Rajendra

Dear Fellow MAHAIAPians,

Season's greetings....!!

It's our immense pleasure & pride to present before you the First edition of MAHAIAP bulletin of this tenure....."Drushtikshep" (दृष्टिक्षेप).

Our honest & sincere thanks to respected Dr. Hemant Gangolia sir, President of MAHAIAP for encouraging us always, as co-editors of MAHAIAP bulletin, keeping his faith and conferring upon us the responsibility of this worthy job.

We are still experiencing & soaking in the euphoria of the success of our annual academic mega show of MAHAIAP.... "The Destination Conference" held at Prakruti Resorts in Alibag in a unique way overcoming all the obstacles created by the cruel ongoing Corona Pandemic.

The restrictions & limitations laid down by the never ending Covid 19 Pandemic & the last threat & hurdle created by Omicron is the real matter of concern to meet physically on various academic fronts & platforms. Nevertheless, we shall make the most from whatever worth available to us in ongoing diverse situation.

Our sincere thanks to the contributors, authors, writers, seniors & office bearers for sparing their valuable time to give their inputs, messages & contributions towards this bulletin. Our special thanks to respected Dr. Upendra Kinjawadekar, the IAP President Elect. who has contributed for our Guest Article.

It is our humble appeal to every single Pediatrician from Maharashtra to come forward with their innovative ideas, write ups... especially the ones, related to experiences of treating patients, your hobbies, passions etc. etc to publish in this quarterly e-bulletin of MAHAIAP so as to make it more colourful & appealing.

Have a great time & a wonderful year ahead.  
Take Care, Stay Safe!!

IAP Raigad organised a top ranked academic event, the 31st MAHAPEDICON & 3rd WZ PEDICON 2021 from 26th - 28th November 2021. It was a Destination Conference organised in Prakruti Resort, Alibag. The conference was structured in a hybrid manner, both physical & virtual. Preconference Workshops were conducted. 5 workshops were on 25th November while one was on 27th November 2021. Altogether 6 workshops were conducted at various venues of Alibag.

## Pre-Conference Workshops

### 1. NRP workshop for All Nursing Home Owners

The Neonatal Resuscitation workshop was conducted for General Practitioners of Raigad district. Prior online registration and study materials were provided to all of them. Around 20 practitioners had registered.

The workshop focused on basic resuscitation skills for newly born infants in distant areas, which was escorted by the faculties very appropriately.

### 2. BLS Awareness for Police dept. & Govt. officials

These are the front liners working in adverse situations for the wellness and help for society. They are the ones, who first reach to the needy people and can give the basic life support if required.

So, teaching the CPR and other BLS procedures was much required to them. About 100+ officials (from collector's office & police headquarters) attended the program.

### 3. Parenting Workshop for the parents & teachers

The workshop was basically for parents. Eminent speakers like Dr. Amol Annadate, Dr. Chandrashekhar Dabhadkar, Dr. Jayant Pandharikar, Dr. Sadachar Ujalambkar delivered parenting guidelines. The program was a huge success with 300-400 attendees. Excellent question & answer session was conducted by Dr. Nivedita Patil.

### 4. Basics in Pediatric Practice for Govt MOs & GPs

Common Pediatric problems were discussed for handling efficiently by remote areas MOs and GPs. Guests of honour for the programme were CEO ZP Raigad - Dr. Kiran Patil, DHO - Dr. Sudhakar More, DR CHO - Dr. Vandan Patil, Past MAHAIAP President - Dr. Jayant Pandharikar, Convener - Dr. Chandrashekhar Dabhadkar & Chief Org Sec - Dr. Vinayak Patil.

Faculties & Topics selected were:

- Dr. Sunil Sheth - Anaphylaxis management
- Dr. Jay Bhandarkar - Fever with Rash
- Dr. Mahesh Mohite - Recognise Sick Child
- Dr. Rajendra Chandorkar - Avoid Antibiotics Abuse
- Dr. Sachin Murade - How to prevent Neonatal Mortality in Rural Health set ups
- Dr. Abasaheb Patankar - Routine (Basic Lab investigations) Investigations

Attended by 59 participant delegates (MOs & GPs). Food, AV & floral bouquets - arranged by Health Dept, ZP Raigad on orders of CEO Dr. Kiran Patil. Pads & Pen - provided by the course Co-ordinator Dr. Rajendra Chandorkar.

## 5. Child & Adolescent Problems Workshop for the Adolescents

Adolescent Workshops were implemented in Govt. school of Alibag. It was beautifully carried out by faculties Dr. Chitra Kulkarni (Navi Mumbai), Dr. Neelima Bhandarkar (Panvel), Dr. Jayshree Deshpande (Pune) & Dr. Vikas More (Ulwe). General hygiene & self defence for adolescent girls were explained and conducted.

It was attended by 100 + adolescent girls.

## 6. Neonatal Nursing for the hospital staff (27th Nov 21)

The purpose of the workshop was training the staff nurses from private and Govt. hospitals of Raigad District. 150+ nurses got the opportunity to attend and learn the basic neonatal resuscitation, caring and feeding neonates by excellent speakers Dr. Sandeep Kadam, Dr. Rishikesh Thakare & Dr. Omprakash Jamadar. Dr. Abasaheb Patankar was instrumental in co-ordinating this workshop.

Topics discussed were:

1. Care of Newborn Baby at Birth
2. Thermal Care
3. LBW feeding
4. Hypoglycemia
5. Prevention of Infection
6. KMC

## 3RD WEST ZONE PEDICON & MAHAPEDICON 2021

DAY 1 - 26th NOVEMBER, 2021 FRIDAY

### 3rd WZ PEDICON & 31st MAHAPEDICON

The sessions started in the noon with Ganesh Vandana and lamp lighting...

First session was by UNICEF, and it discussed challenges and suggestions about 'Urban Newborn' ... SRCC sponsored session was about Onco. Emergencies.

Dr. Bakul Parekh, Dr. Samir Dalwai discussed Digital advances and Media use for kids and us !

Dr. Mohanti presented a study about help offered to community health workers for reducing infant mortality in Raigad district, which was very insightful !

A panel discussion about Discussing sexuality with teens was very functional.

Case scenarios were good. And highlight of the day was Moot Court - It was a wonderful role play by our lawyer / pediatrician colleagues, about court case against pediatrician.

The day ended with live cultural event !

## CaP TB (Catalysing Paediatric TB Innovations - Dissemination) program

Activity was organised by the SAATHII (Solidarity and Action Against The HIV Infections in India).

**Date: 30/12/2021 at 10 AM to 12 PM | Venue: Four Seasons, Viman Nagari, Pune**

It was a very informative & well conducted program. It has been implemented in 15 districts (5 each from Maharashtra, Andhra Pradesh & Telangana) and the results are encouraging to diagnose 11% Paediatric TB cases from Presumptive TB criteria cases.

MAHAIAP wants to organise the webinars/quiz disseminating the CaP TB program so as to sensitise all the approximate 4500 Paediatricians of the state in association with SAATHII & Joint Director for TB, Maharashtra State.

MAHAIAP suggests & appeals two Paediatricians of each IAP District/City Branch to come forward as Nodal coordinators so as to have the coordination with SAATHII, Joint Director TB Maharashtra State, DTOs. Requesting all Presidents/Secretaries of District/City Branches to nominate two Paediatricians as Nodal Coordinators on following email addresses.

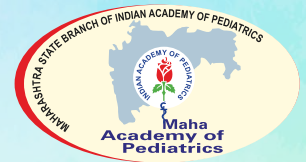

[office@mahaiap.org](mailto:office@mahaiap.org) &/OR [hrgangolia@gmail.com](mailto:hrgangolia@gmail.com)

Once names are received, WhatsApp groups will be formed for effective communication.

## Dr. Upendra Kinjawadekar President Elect 2022

Dear MAHAIAPians,

Wishing You all a very Happy and Healthy 2022! While we congratulate our newly installed MAHAIAP President Dr. Hemant Gangolia, Secretary Dr. Amol Pawar and their team, we must pause a while to acknowledge and applaud the great efforts put in by their predecessors Dr. Jayant Pandharikar, Dr. Sadachar Ujlambkar and team MAHAIAP 2020/2021 during the pandemic years for keeping the academic flag of MAHAIAP flying high despite so many challenges.

The Post covid era is in sight and all of us are looking forward to meeting and socialising with our fellow members. At the same time, we need to gear ourselves up to face new challenges in regards with child health. Rise in the cases of anxiety, depression, obesity is already witnessed by all of us. At the national level our President Dr. Remesh Kumar R has declared under five mortality reduction to 25 by 2025 as flagship program of our academy and every IAPan should be committed to it.

It is now well recognised that child survival cannot be addressed in isolation as it is intricately linked to the health of the mother, which is further determined by her health and development as an adolescent. Therefore, the concept of Continuum of Care, that emphasises on care during critical life stages in order to improve child survival, is being followed in the country. There is a paradigm shift in our thinking with home-based outreach programs becoming a new normal. We ought to make these services available to our target population at home/health facilities near to their homes.

The key areas of our work should be essential new born care, nutrition and growth monitoring with particular focus on early detection of stunting and micronutrient supplementation, routine immunisation and developmental screening in early life.

Maharashtra has always been known to lead the country, when social commitment to improve community health is concerned. Let's join hands together and reach every unreached child and help him/her to grow and develop into a healthy young citizen of India, committed to nation building.

**Y**ou won't believe ... Whenever I hear about this debate on gender equality, I always wonder why do we even think about it? Why do we have to be equal to men? Aren't we supposed to be different?

When God has made two different genders, let's stay that way. Frankly speaking, I don't see any threat from men, I compete with myself and try to become better than what I was yesterday. I have my own individual qualities which are my trademark. Men may be good in some way and women in some other, then why talk of equality? Enhance the qualities that you possess as a woman. Can men give birth to a new life? No, they can't. Can they withstand the pain of childbirth? No, never. God has made us special, then why compete with men? We don't need to prove that we are equal to them, we just have to be different.

It is said that women are emotionally weak, but I think otherwise. I found my grandmothers, mother, me and now my daughter to be much more emotionally balanced than their male counterparts. Yes, men are physically strong and one cannot deny it but women are mentally far stronger. I have seen men wilt under pressure but women remain stable even in the most difficult situations. Just think on that.

We don't need to fight for gender equality, we just need to know ourselves. There are certain things that only women can do and excel. Don't always try to compete with men, develop the qualities you already possess. Believe that you can be as tranquil as water and as devastating as fire. Believe that you can achieve more than you can imagine, focus on yourself and not on others. Have an aim and work towards it. We know that we can balance home and work while excelling in both. Our mind works more effectively and efficiently.... And it's a medically proven fact. So, put it to work, not to prove anything to men but because you are proud of possessing it.

If you have read stories of strong women from history, did you realise that they never begged for gender equality, they displayed it. They stayed in veils but learnt martial arts too, so that when the need arose, they fought with valour. You don't need to prove that you are at par with men, you have to display it by your actions. Train your mind and body to stay strong under difficult circumstances. Speak for yourself and your clan. Make the women around you stronger. Rise and Shine.

Raise your daughter to be a strong individual with distinct qualities and never ask her to compete with men but be inclusive. Otherwise instead of concentrating on her qualities, she will always talk about the things she is being denied because of her gender. Tell her that dress doesn't define her, but also tell her that she should not forsake her traditional attires just to prove that she is equal to men. Highlight the privileges she has as a woman and make her feel special and blessed.

I don't need equality with men. I know that I am capable of doing everything that a man does but why to prove that? I am proud of being a woman, and want to retain my individuality. I sincerely hope that we stop talking about gender equality and focus more on retaining a woman's individuality.

Don't live to break rules, live to make your own. Appreciate what you have and are. We have been made differently and with a purpose... Don't forget. The world requires both men and women to keep going. Start from your own house. Don't discriminate between your children and don't differentiate in distribution of work or the freedom you give them. But, don't compare or encourage competition based on gender between them. Teach your children to respect both genders for a better tomorrow.

आपल्या मायबोलीत काही काही मराठी शब्द पुल्लिंगी आहेत कि स्त्रील्लिंगी हे कळायला कधी कधी वेळ लागतो व त्यांची तितकीशी उकल होत नाही. 'पृथ्वी' 'क्रिष्णा' हि नावं स्त्रील्लिंगीही असु शकतात किंवा पुल्लिंगीही. 'वीज' म्हंटलं तर स्त्रील्लिंगी पण 'लाईट' म्हंटलं तर.... गेल्यावर... 'गेली' म्हणावं कि 'गैला' या संभ्रमात आपण पडतो. सध्या हाच संभ्रम कोरोना च्या बाबतीतही होतोय. कोरोना विषाणू आहे. या विषाणूला 'तो' म्हणावं तर त्याची एवढ्या प्रचंड प्रमाणात उत्पत्ती कशी होते.... एका विषाणू पासुन दुसरा.... दुसऱ्या पासुन तिसरा... मग तर कोरोनाला 'ती' म्हणावसं वाटतं. खरं तर जगभरात मृत्यूचं तांडव रचणाऱ्या कोरोनाला क्रोधीत होऊन नाईलाजाने तृतीयपंथी..... 'हिजडा' म्हणुन संबोधावेसे वाटते कधी कधी.

"तो " (मानवजातीतील तो ) .... त्याच्या वाट्याला खुप यातना आल्यासारख्या वाटतात. कामावर न गेल्यामुळे आर्थिक चणचण आहेच. पगार कधी हातात येईल?... पूर्ण असेल कि कपात होऊन?... कामावर पुन्हा कधी रुजू होता येईल?... ऑफिसमधलं वातावरण पूर्ववत कधी होईल?... सारेच प्रश्नचिन्ह !!.. घरची ओढ असायची, पण सवय मात्र नाही आणि त्यामुळे उगाच घरी राहणे म्हणजे शिक्षा लादल्यासारखं. आराम तरी किती करणार?... झोपा तरी किती काढणार?... सिनेमे बघण्याची सवय नोकरीला लागल्या लागल्याच निघुन गेलेली. मग वेळ जावा म्हणुन पत्नी व आई कडून वेगवेगळ्या रिसिपी शिकायचं ठरवलं त्याने. भांडी धुणं, लादी पुसणं, कपडे धुणं..... हि व्हाट्सअप वरिल अतिशयोक्ती अंगवळणी पाडायला काही दिवस गेले व अतिशयोक्ती म्हणता म्हणता तिला खूष ठेवण्यासाठी मग सवयच झाली या सर्व घरगुती सोपस्काराची. आता पुढील किमान सहा - आठ महिने तरी हि साडेसाती हटत नाही एवढे मात्र निश्चित !!.....

"ती" (मानवजातीतील ती )..... घरची सवय होतीच तिला. सर्वांचं करता करता दिवस कधी जायचा कळायचे नाही. आता घरी सर्व असूनदेखिल दिवस खायला येतो. ऑफिसमधुन आलेल्या त्याचं स्वागत करणं, गरमागरम चहा देणं... सर्व, अगदी सर्व विसरायला झालंय. टी व्ही वरिल कार्यक्रम पाहण्यात मुलांबरोबर चढाओढ करावी लागत असल्यामुळे नेहमीचे टी व्ही शोज घरीच असूनदेखील पहायला मिळत नाहीत. प्रत्येक कामात, स्वयंपाकात त्याची ढवळाढवळ असल्यामुळे तिला खुप कंटाळा आलाय. सिनेमा, किटी पार्टी, बागेत..... कुठे, अगदी कुठेच जाता येत नाही तिला. मॉर्निंग वॉक ला जावं, तर..... मास्क लावणे बंधनकारक असल्यामुळे मोकळ्या हवेची चोरी !!..... जीव नुसता गुदमरुन गेलाय तिचा !!

एकामागुन एक अशा आलेल्या लॉक डाउन्स मुळे एकमेकांना दिलेला वेळ हा तोच तोचपणा होऊन गेलाय त्यांना. एखाद्या गोष्टीचा अतिरेक झाला कि सर्व कसं किळसवाणं होऊन जातं याचं महत्व पटलंय त्यांना. इतकेच काय, जीवनास बंधनं, विरह, ओढ किती महत्व प्राप्त करुन देतात याची जाणीवहि व्हायला लागलीय त्यांना!!

आणि अशातच "ती आता काय करत असेल? " .... अथवा "तो आता काय करत असेल? " अशा प्रकारचे विचार त्यांच्या मनात येणंही तितकंच स्वाभाविक आहे. पण हा फक्त मनाला छेडून गेलेला एक विचार आहे. एव्हाना हृदय घरातल्या तिच्यात किंवा त्याच्यातच गुंतून गेलंय हे नव्यानं सांगायला नको. त्यांचं काही बिनसलं नसलं तरी जीवनाच्या अनिश्चिततेचि तलवार मात्र डोक्यावर टांगती आहे हि सत्यता नाकारता येणार नाही. "सारू आणि बंटी ची पुस्तकं या कपाटात असतात. त्यांचे कपडे वेगवेगळ्या ठिकाणी असतात. दोघांच्याही खायच्या आवडी निवडी वेगवेगळ्या आहेत. मार्मजींची औषधं कपाटावरील छोट्या डब्यात असतात व त्यांना डायबेटीस असल्यामुळे हल्ली खुप जपायचं आहे, बाहेर खुप जाऊ द्यायचं नाही आणि वेळच्या वेळी जेवण घ्यायचं आहे".....इतरही भली मोठी लिस्ट तिने त्याच्यासमोर सादर केली. आता हे कधीच न ऐकवलेलं हल्ली ती का ऐकवते हेच कळत नव्हतं त्याला.....

सध्या आहारामध्ये हिरव्या पालेभाज्या, कडधान्ये, फळं, बदाम, लसूण यांच्यावर तिचा खुप मारा असतो. झोपताना काही काढे, हळद टाकलेलं दूध हेही चालु असतं. कोरोनाच्या काळात प्रतिकारशक्ती वाढावी हा उद्देश असेलही तिचा..... "मरणाला एवढी घाबरतेस? " विचारलं आपलं त्यानं गंमतीत मुलांसमोर तिला... ती तडकली.... म्हणाली, "कोरोनाला, मरणाला तेवढी नक्कीच घाबरत नाही. ते आलंच तर पुढील सोपस्कर तुम्हाला किती अवघड व त्रासदायक होऊन जातील याचा विचार करुन तुमची काळजी करण्याचा व जगण्याची 'छोटीशी आशा' बाळगण्याचा हा सगळा आटापिटा.

पण मग "तुम्हीही आजकाल एवढे विचलित का असता? " तिचा प्रश्नार्थक सूतोवाच..... "म्हणजे?... कळलं नाही मला " ... तो..... "नाही, आजकाल सर्व बँकांची पासबुके चाळत असता, इन्शुरन्स चे पेपर चाळत असता, जमिनीच्या व्यवहारांच्या सर्व फायली वर दिसतायत " ... एक जाणीवपूर्वक कटाक्ष टाकला तिने त्याच्यावर. परेश भाऊजी, दाजी काका, अण्णा आजोबा या सर्वांकडून आपले अमुक एवढे पैसे यायचे आहेत हे एरवी बरे केव्हा सांगितले नाहीत?..... आणि तेही मुलांसमोर!!...त्याचे डोळे पाणावलेले दिसत होते, घसा जड झाला होता. तशातच गहिवरल्यासारखे होऊन पुटपुटला, "माझीही अवस्था तूझ्यासारखीच झालीय गं !!.... काल तुला चिडवल्याचा पश्चाताप होतोय मला. तुम्हा सर्वांची काळजी वाटतेय मला. कोरोनाच्या या महामारीत उद्या काही कमी जास्त झाले तर?... गहिवरुन तिला, मुलांना जवळ घेऊन घट्ट मिठी मारली त्याने. नियतीने समोर काय वाढून ठेवले आहे कोणाला, अगदी कोणालाच काही माहीत नाहीये सध्या तरी.....

नॉव्हेल कोरोना..... तो, ती वा तृतीयपंथी कोणीही असो, जगात नवीन असल्यामुळे... त्याच्या अस्तित्वाची, वावराची, परिचयाची, पाहुणचाराची कोणाला, अगदी कोणालाच फारशी कल्पना नाहीये. बरंच संशोधन चालु आहे पण जगभरात मानवी संहाराचं अगदी थैमान घातले आहे त्याने. काल परवा... आमच्या देशात फार काळ हा पाहुणा टिकणार नाही असे म्हणता म्हणता तो स्थिरावलाय व मृत्यूचं कांड करुन काळ बनून बसलाय. देशातील, महाराष्ट्रातील, इतकेच काय आपल्या रायगड जिल्ह्यातीलहि बाधितांचे आकडे दिवसेंदिवस वाढतच आहेत. केरळमधील एका डॉक्टरच्या अंत्यविधीची थट्टाच झाली. कोणीही त्याच्या अंत्यविधी साठी पुढे यायला तयार होईना..... शेवटी त्याच्या एका डॉक्टर मित्राने त्याला दफन केलं. एका इसमाची गावी अंत्यसंस्कार करण्याची इच्छा असूनदेखील ती पूर्ण झाली नाही तर एका कुटुंबातील कर्त्या व्यक्तीचं घरातील एकही सदस्याने तोंड न पाहताच त्याला विद्युतदाहिनी दाखवली गेली. अशी कित्येक उदाहरणं आहेत.

इटलीमध्ये म्हणे साठच्या वरिल कोरोना बाधित सिरीयस व्यक्तीला वाऱ्यावर सोडून साठच्या आतील कोरोना बाधित लोकांकडे/रुग्णांकडे अधिक लक्ष दिलं जात होतं. तशी परिस्थिती तर आपल्याकडे येणार नाही ना?..... मीडिया आजार वाढवून चढवून सांगतोय असं म्हणायला गेलं तर सर्व अधिकृत आकडे हे सरकारनेच पुरवले असल्याने, तो व ती दोघांनीही त्या नॉव्हेल कोरोना नामक मायक्रोस्कोपिक मॉन्स्टर ची भीती नाही बाळगली तरच नवल होतं!!..... मे च्या दुसऱ्या पंध्रवड्यातील जी आकडेवारी व मृत्युदर भाकीत केलं जात होतं त्याच्यावर नजर टाकली तर त्यांची (तो व ती ) अशा प्रकारची मानसिकता होणं स्वाभाविकच होतं. त्यांची हि भीती म्हणजे 'भीतीचं हे अप्रतिम मार्केटिंग' तर नसेल ना?.... असं वाटणं साहजिकच आहे. कोण करतय हे मार्केटिंग?....का?... कशासाठी?.... सध्या या संभ्रमात आहेत 'तो ' व 'ती' ..... आणि नॉव्हेल कोरोना?.... त्याने घातले आहे थैमान..... सध्या तरी बिझी आहे सर्वांना बाधित व काहींना गिळंकृत करण्यात !!.....

महाराष्ट्र राज्य बालरोगतज्ञ संघटना

महाराष्ट्र राज्य बालरोग तज्ञ संघटनेतर्फे नुकतेच 'राष्ट्रीय बालिका दिवस' (24 जानेवारी 2022) चे औचित्य साधून 'वर्चुअल प्लॅटफॉर्मवर' ऑनलाइन' कार्यक्रम माननीय अध्यक्ष /सचिव यांच्या मार्गदर्शनाखाली आयोजित करण्यात आला. या कार्यक्रमाचे 'परिसंवाद चर्चासत्र' म्हणून रूपांतर करण्यात आले. यावेळी पॅनलिस्ट' म्हणून सर्वाना मार्गदर्शन करणाऱ्या सहभागी महिला बालरोगतज्ञ डॉक्टर वक्त्या ह्या पुणे, औरंगाबाद, कोल्हापूर, नाशिक, नागपूर, अमरावती, चंद्रपूर येथून सहभागी झाल्या.

किशोरवयीन मुलींच्या विविध समस्या आईने किंवा पालकांनी कसे हाताळाव्या या विषयांवर, सर्व वक्त्यांनी उत्तम प्रकारे मार्गदर्शन केले. तर मित्रांनो, येथे जाणून घेऊया याविषयीच्या चर्चासत्राचे काही महत्वाचे मुद्दे....

१. पालकांनो येथे सर्वात महत्वाचा मुद्दा मी सांगू इच्छिते की आई आणि मुलगी यांच्यातला सुसंवाद आणि नात्यांमधील संतुलन फार फार महत्वाचे आहे. विशेषतः आईने हे नात्यातील संतुलन ठेवण्यासाठी प्रयत्न करावा कारण, आयुष्यातील कोणत्याही कठीण काळासाठी, कठीण परिस्थितीसाठी हे फार महत्वाचे आहे. समाजात आपण बघतो कि बऱ्याचदा काही मुली फार मोठी चूक करून बसतात, जसे की कमी वयात गर्भधारणा, सायबर क्राईम, आसिड फेकण्याचे शिकार होणे, चुकीच्या व्यक्तीशी संबंध प्रस्थापित होणे, नैराश्य येणे इत्यादी इत्यादी...

तसेच पालकांनी आपल्या मुला-मुलींना सोबतच्या नात्यांमध्ये फ्रेंडली किंवा मैत्रीचे नाते जर जोपासले तर पुढील बऱ्याच काही गोष्टी आपोआपच सोप्या होऊन बसतात.

२. सध्याच्या कोरोना काळात आपण बघतोच आहोत की मुला-मुलींना घरूनच ऑनलाइन शिक्षण घ्यावे लागत आहे त्यामुळे स्थूलतेचे प्रमाण फार वाढलेले आहे. घरबसल्या आहारामध्ये देखील खूप बदल झालेले आहेत.

३. मुलींमध्ये सध्या स्थूलतेचे प्रमुख कारण 'पीसीओएस' (बीजांडातील बदल) हे साधारणतः आढळून आलेले आहे. तसेच स्थूलते सोबतच पिंपल्स येणे, नैराश्यता वाढणे, वंध्यत्व येणे व त्यामुळे नैराश्य येणे, हे देखील याच मुळे असू शकतं. ही सर्व लक्षणे आढळल्यास आईने त्वरित मुलीला डॉक्टरांकडे घेऊन जावे व योग्य उपचार करून घ्यावे, कारण नैराश्याचे प्रमाण वाढल्यास पुढील आयुष्यात धोका निर्माण होतो.

४. कमी वयात गर्भधारणा लग्नापूर्वी गर्भधारणा झाल्यास देखील मातेने मुलीची चूक समजून घ्यावी, तिला न रागवता त्वरित डॉक्टरांकडे घेऊन जावे. कारण असे न केल्यास ती मुलगी विविध मार्गे 'क्वॅक्स' ( अनरजिस्टर्ड दाई, झाडपालावाले भुमका) कडे जाऊन पुढील वाईट परिणामांना सामोरे जाते, त्यामुळे योग्यरित्या सुसंवाद असणे फार आवश्यक आहे.

# युवती मना: आई व मुली मधील संवाद... भाग १

५. आईने विशेषतः हे मुलींना सांगणे, शिकवणे फार गरजेचे आहे की, 'नाही' म्हणायला शिकणे, भावनिक संतुलन विकसित करणे, आणि सकारात्मक विचार शैलीची स्व प्रतिमा निर्माण करणे!!....

६. 'टॉक्सिक रिलेशनशिप' म्हणजे मुला-मुलींमधील वाद-विवाद तसेच त्यांच्या नात्यामध्ये आक्रमकता निर्माण होणे. पालकांसाठी विशेषतः आईसाठी हे हाताळणे फार कठीण आहे. यामध्ये तज्ञ कौन्सिलरचा, तज्ञ डॉक्टर चा सल्ला घेणे गरजेचे ठरते. कारण भविष्यात याचे फार वाईट परिणाम (जसे की मानसिक, शारीरिक) होऊ शकतात.

७. हल्ली आपण 'सायबर क्राईम' खूप बघतो आहे. येथे आम्ही असं सांगू इच्छितो की, पालकांनी विशेषतः आईने मुलींना हे शिकवणे फार गरजेचे आहे की, कुठलीही पोस्ट/फोटो सोशल मीडियावर शेअर करण्याआधी, हे किती गरजेचे आहे ? हे मटेरियल चांगले आहे का? याचे काय परिणाम असतील ? याचा विचार करूनच पोस्ट शेअर करणे. तसेच मीडियावर अनोळखी 'फ्रेंडशिप ऍक्सेप्ट' न करणे हेच उत्तम असते हे देखील मुलींना शिकवणे गरजेचे आहे.

## INVITATION

Dear fellow IAPians,

Warm greetings from the organising team of MAHAPEDICON 2022, NASHIK.

It is a matter of great honour and immense pleasure to extend this invitation to you for the 32<sup>nd</sup> Annual Conference; MAHAPEDICON 2022 to be hosted by IAP NASHIK Branch.

“Let's weave the Magic with the Logic” with this theme at its heart, we assure you a scientific bonanza to fulfil and quench every participant's thirst of learning.

Nashik city, grape & wine capital of India is very well connected by road & rail. The weather in November is absolutely pleasant and will enhance the sight seeing and shopping experience in this culturally rich and holy city Nashik. Awaiting eagerly for your arrival.

warm regards.
